## Finishing

Sew in all ends

For best results, block the shawl using measurements as a guide.

### Add a fringe

Use 7 x strands cut to approx. 18 cm for each fringe

Use some card to wrap the yarn around to save measuring each time.

Keep the strands folded

Place the crochet hook through the stitch or the ch-1sp from top to bottom, grab the strands with the hook.

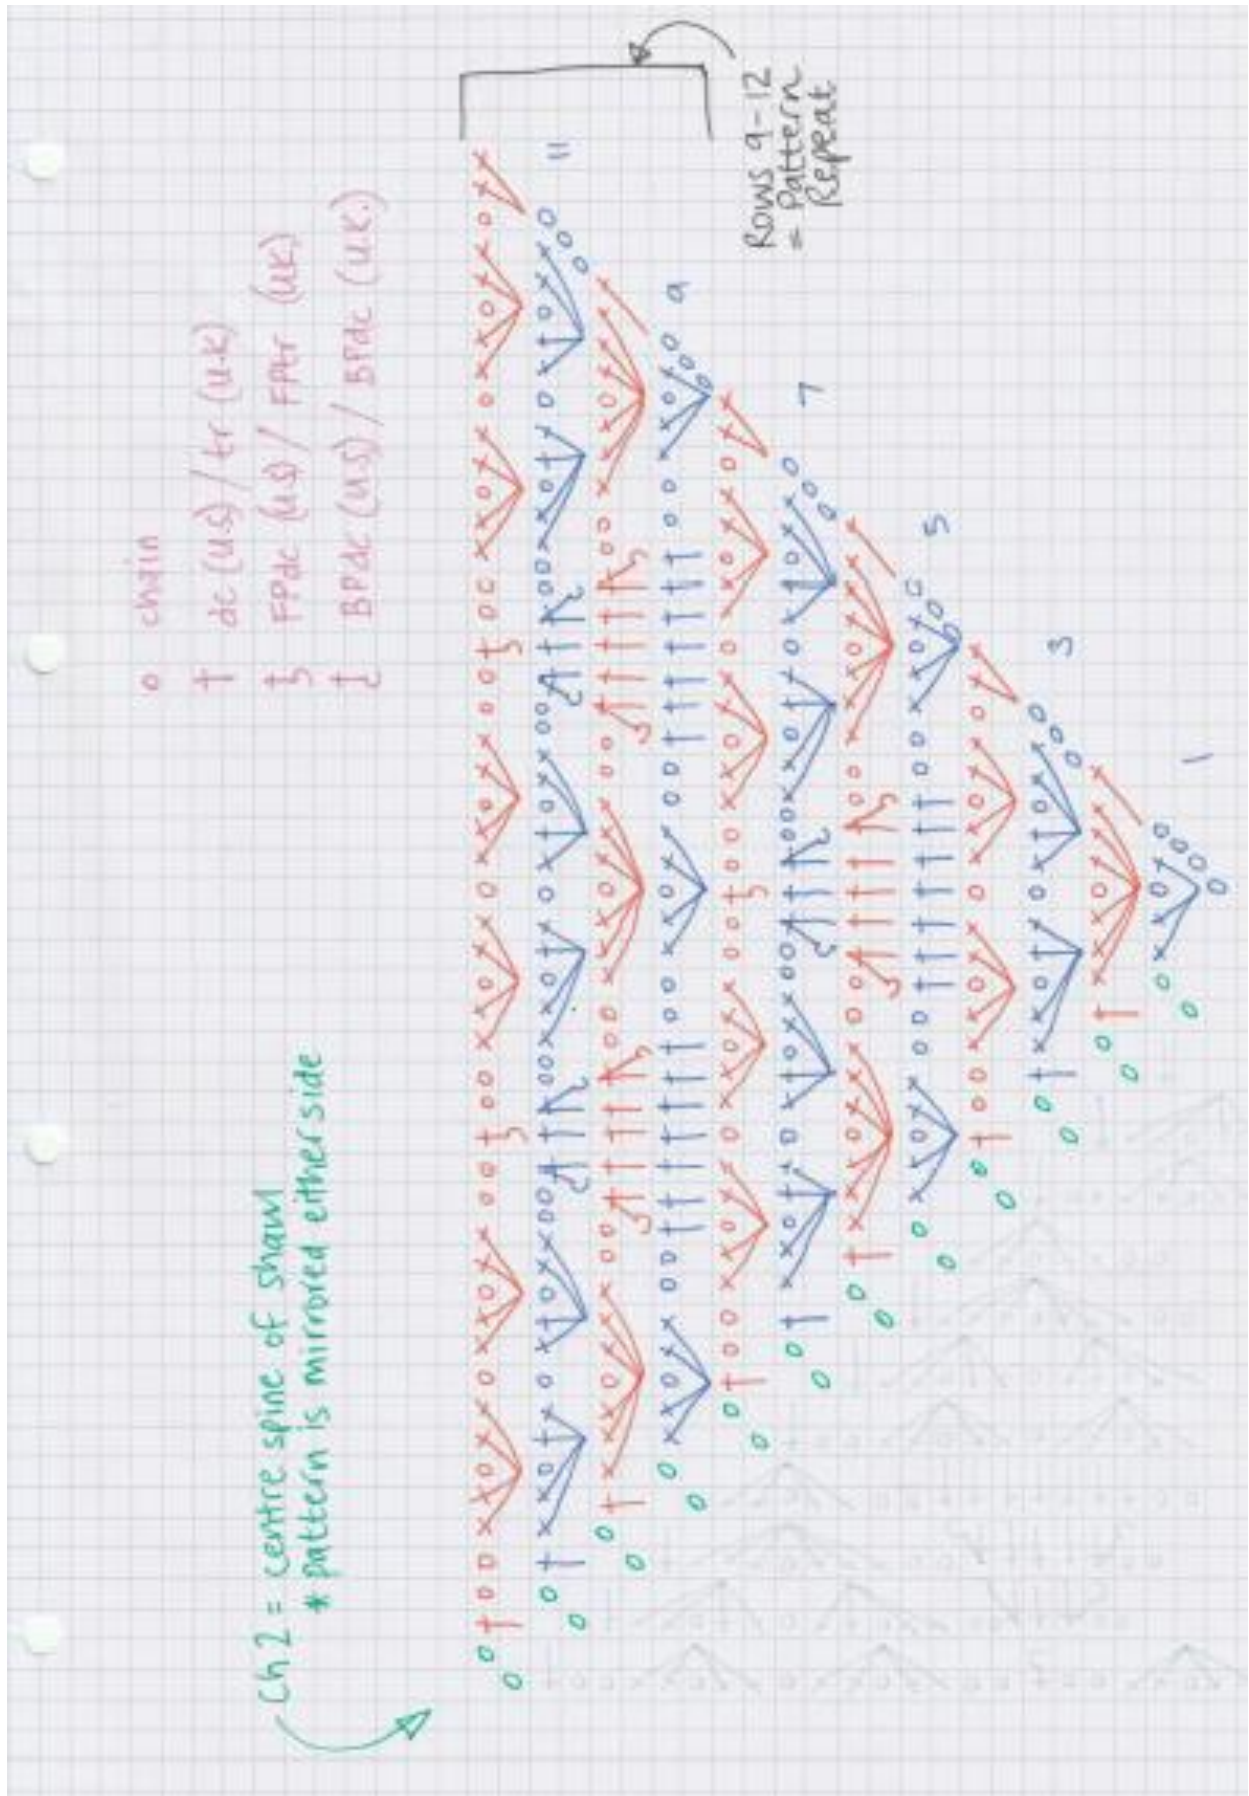

Pull the strands through.  
With your fingers, open up the loop created grab the strands and pull through

Pull to tighten.  
Trim the fringe to neaten the edges once all have been added.
